**Subject:** Create a balanced cleanup plan

The living-wage jobs in our harbor are critical to our economy. Please keep that in mind.

I want to see the EPA support a clean river. But I also want to see the EPA support a strong Portland economy. A strong economy relies heavily on the blue-collar jobs that exist on the Willamette River.

I know you care about our community and our economy. Thank you for reading and for doing what's best for our region and our jobs.

Sincerely,
